

Laboratory Information Management System for Chemical Analysis Labs

IDEAL LIMS FOR:

- ▲ Ultrapure Water
- ▲ Product Ecology & Safety
- ▲ Incoming Materials Inspection
- ▲ Prohibited Chemicals Certification

QUARTZ CH-LIMS FEATURES

- ▲ Highly Configurable
- ▲ Supports Multiple Chemical Analysis Techniques, such as ICP-MS and IC
- ▲ Imports Data Files from Many Instruments
- ▲ Comprehensive Sample Data Review
- ▲ Supports Results Computation
- ▲ Select Results for Release
- ▲ Transpose Released Results into Final Format
- ▲ Chemical Data File Archiving
